## TO START WARMING UP

Perhaps you have gone already through the **e-portfolio interactive tutorial**: it is reccomendable to do it if you have not done it yet.

Furthermore, in order to prepare yourself for the introductory session on Monday 10th we ask you to do a **small preparation activity**.

We all together are going to prepare an **exhibition gallery** regarding our personal images about foreign languages teaching. We encourage you to **search for** or **design** an image that can reflect your **personal vision about foreign language teaching**.

The image can be a **photo**, a **photo-montage** or **composition**, a **collage**, a **drawing** or sketch, **graphics**.. etc. You have to share it by Slack on our channel, **#Studyweekbarcelona**. Share your image before **Friday evening, 18.00**.

Write also a **small text, maximum 1000 words**, explaining the personal vision of teaching that your image represents. You can send this text to [azahara.cuesta@gmail.com](mailto:azahara.cuesta@gmail.com) before **Sunday 9th**.
